

WELCOME BACK

Registration for the upcoming Winter Season is now open. We will be using TeamSnap for our registration system this year. New this year is the option to sign up for Zone Tryouts (U14 – U19 only) during the registration process and the processing of deposit cheques, so please look out for these changes.

Players will **NOT be permitted** to attend any practices or games until ALL registration information (including completion of ePact profile, waivers, receipt of proof of residency and age) are received by the registrar. Players are not considered registered until all payments have been received.

We look forward to seeing everybody back on the ice!

Players who reside in these cities but would like to request to play with a different association are required to register with SWRRA and submit a Release Application not later than 1 Oct 2022. VOLUNTEER REQUIREMENTS

- SWRRA depends 100% on volunteers and we would like for all families to be involved with making the season run smoothly.
- Each family/individual player is responsible for a minimum of 4 hours of volunteer time to the association, up to a total of 12 hours. This volunteer time does NOT include hours put towards your individual team (ex: scorekeeping, time keeper & shot clock). The registration process includes a waiver to be signed acknowledging your understanding of this requirement and gives SWRRA permission to deposit cheques for those who do not complete their mandatory hours.
- Volunteer Opt-Out Options: If you do not wish to volunteer your time, please select the Opt-Out box during registration. \$300 will be charged to your credit card for each player at registration.
